Cancellation Policy

Naija City · Effective 10 October 2026

This policy explains how to cancel a subscription or recurring payment on Naija City, and what happens after you do.

1. Who this covers

It applies to any paid plan that renews automatically. One-time purchases do not renew, so there is nothing to cancel. See the Refund Policy for those.

2. How to cancel

- Open **Settings** → **Billing** in the game and choose **Cancel plan**; or
- email **support@naija.city** or **support@kaduna.life** from the address on your account.

You will get a confirmation email. If you do not, treat the plan as not cancelled and contact us.

3. When it takes effect

Cancel at least 24 hours before your renewal date to avoid the next charge. Your benefits continue until the end of the period you already paid for. We do not give part refunds for unused time.

4. If you were charged after cancelling

If you cancelled in time and were still charged, email us with your confirmation. We will refund that charge in full within 5 business days.

5. Cancelling by us

We may cancel a plan if your account is closed for breaking the game rules, or if a payment fails repeatedly. We will email you first when we can.

6. Changes

If we change the price of a plan, we will tell you at least 14 days before it applies, so you can cancel before you are charged.
